

Season 5

FRR is Leveling Up

Why is FRR changing ?

We are 5 years strong having built our reputation, trust but we are not stopping now.

By introducing the following we first and foremost aim to deliver benefits and additional value to the Community that has helped us get to this point and we thank each and everyone of you.

We want to bring greater value and benefit to an even wider Community, continue to make a difference to everyone who engages with us which in turn will help us build and improve what we all so passionately enjoy while maintaining the highest level of support.

Get ready for our biggest season yet.

Why should you consider to join our next journey ?

We hope you will see the value and benefits in what we are introducing to you and the community, and you trust us to deliver what we say we will do.

Whatever your decision - It is always your choice.
